

## IN CASE OF ERRORS OR QUESTIONS ABOUT YOUR ELECTRONIC TRANSFERS

Write us at the address shown on the front of your statement or telephone us at the telephone number shown on the front of your statement as soon as you can if you think your statement or an automated teller receipt is wrong, or if you need more information about a receipt or a transfer on the accompanying statement. We must hear from you no later than 60 days after you receive the first statement on which the error or problem appeared.

- (1) Tell us your name and account number.
- (2) Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe there is an error or why you need more information.
- (3) Tell us the dollar amount of the suspected error.

We will investigate your complaint and will promptly, usually within 10 business days, correct the error or send you a written explanation of our reasons for believing no error occurred. If we take more than 10 business days to do one of these things, we will recredit your account for the amount you think is in error so that you will have use of the money during the time it takes us to complete our investigation.
